Ms. Juris:

This note is on behalf of Correct the Record, in response to the Commission's letter for additional information dated April 30, 2017 regarding the Committee's Amended Year End Report (11/29/16-12/31/16). The decrease in disbursements of \$65,763.33 is due to reclassifying an in-kind contribution made in that amount during this period. A corresponding decrease in receipts is also due to this adjustment. The additional \$7,836.61 decrease in receipts is due to reclassifying several cancelled checks from offsets to negative disbursements.

The period ending cash on hand remains the same - we have simply adjusted the lines on which these transactions were reported in response to the Commission's letters for additional information dated March 14, 2017.

Respectfully.

Correct The Record
